Week 6.3 – Monday 19<sup>th</sup> June 2017

## PSA Fundraising

A week last Friday, we held a non-uniform day and the school discos. The discos were great fun for all and we completely sold out at the tuck shop! The result of the non-uniform day and the discos was a fundraising total of approx. £500!! This is a great result – thank you! Thanks to the parents and staff who helped – it wouldn't be possible without you. The £500 raised will go towards the next PSA project which is to purchase an iPad for each class for use with the interactive screens, enhancing our learning opportunities

## SRE Policy

Thank you to all the parents who managed to attend the Parents' Forum last Tuesday. It was well-attended and much discussion took place about the school's policy and scheme of work for Sex and Relationships Education.

The policy will now go to Governors for their analysis and agreement. We hope to have the SRE policy in place before the end of the academic year.

## International Day

We have had a good response so far, thank you for all your generosity! We are still keen to hear from anyone who would like to contribute some entertainment, food, help moving and coordinating.

Please let the office know if you can offer any of the above.

## Car Parking

Please do not walk across the car park. It is busy and clear sight of pedestrians is not always possible. Please keep to the footpath.

Please also remember that the car park is for staff and visitors' cars only. Drop-offs only allowed for breakfast club and after-school clubs – before 8:15am, and after 4pm.

## Active Kids Vouchers

Please bring in vouchers by 30 June 2017.

## Sporting Events

Well done to our Year 5 and 6 children last week who took part in the Quad Kids event at St Edmund's. The event encompassed 4 disciplines; 75m and 600m running, long jump and vortex throwing. As always, the children represented the school impeccably. Also last week, for the Year 6 children, was Bikeability. A course in safe cycling and of course the hope that children will be encouraged to find more economical and environmentally-friendly ways to travel.

## Lunches

As a 'Healthy School' we place an emphasis on healthy eating and physical activity. Part of this drive is to encourage children who are on packed lunches to bring a balanced meal. Therefore, we would like to clarify what we allow in packed-lunches but please check if you are unsure.

We do expect children to eat their sandwiches first, before dessert/snacks. So often they are in such a rush to get out and play that they do not want to eat their sandwiches – just eating the 'quick things'! On behalf of the Lunchtime Staff, thank you for your support with this.

Can we also remind parents that children should not bring juice into class; it should be water only for lesson time, many thanks.
