## Caring for Creation

On Friday 27<sup>th</sup> June, each class will weigh the waste from their packed lunches. This does not mean food waste, but instead the packaging and disposables. The total will be divided by the number of children contributing to get a 'per person weight'. Our aim is to then reduce the waste through the week by making more use of reusable packaging and recyclable materials.

Our Assembly on Friday will be a demonstration of this for the children to explain the alternatives and how we can do better! This follows up on the commitment we made at Christmas as a school to care for all of God's creation. The initiative was planned for this week but due to the sheer business of the term, we have had to put it back by a week.

We are pleased to support the Harnham Slope Fun Run which will be held on Sunday 7<sup>th</sup> July in association with the Harnham Schools.

## Mrs Ridley and Miss Jones

In the last two weeks we have been treated to two wonderful performances from our talented musicians. This would not be possible without the determination of the children, but certainly not without the dedication of Mrs Ridley and Miss Jones who teach our children so well.
