Supporting You at Home with Learning

I would like to say another huge thank you to you all for your continued support of Online Learning at St Osmund's. The teachers and teaching assistants are working unbelievably hard to ensure that live lessons and independent work gives children the best possible chance of making progress during this second period of school closure. I am so proud of them, and of you all at home! Please contact us if we can help you get online; it is a legal requirement for children to be doing a minimum of 3 hours learning in KS1, and 4 in KS2.

To help you further, next week, we will be offering resource packs to all our families containing some basic but essential equipment to help with the independent learning at home. These pack will contain equipment such as: pencils, pens, ruler, rubber, whiteboard and pens, art sketchbook, a blank exercise book, cubes and counting resources (KS1).

You will be contacted by email by the school office with a time slot to collect your essential resource pack next week – they will be outside school for non-contact, safe collection. If you are unable to collect it, OR feel you do not need a resource pack, please contact schoolcomms@sops.canacp.org as soon as possible.

We just want to ensure that as we continue to learn at home, we are doing all we can to help you make that a success!

Staying Fit

We all know exercise is not only good for our bodies but it is also good for our minds.

PH Sports come into school weekly to provide PE and fitness during 'normal' times, but as this is not an option at the moment they have posted 4 KS1 and 4 KS2 interactive fitness sessions on YouTube. If you and/or your child(ren) fancy checking it out just go to YouTube, type in PH Sports and you can find the videos there.

Don't forget the Joe Wickes PE... which I find very challenging!

School Virtual Family Quiz

The school will be hosting a virtual family quiz on Friday 29th January 2021 starting at 5.45pm. This is a fantastic opportunity for us all to join one another and have some family fun!

Mr. Sanderson is busily writing the quiz rounds and will be our host for the evening!

A link for the event will be posted in each Google Classroom nearer the time!

Google Classroom

If you are having any difficulties accessing Google Classroom please send an email to ithelp@sops.canacp.org

The email is monitored during working hours and we aim to respond within 24 hours.
