## Fun at the Fair!

We had a wonderful day at Paulton's Park on Tuesday! I can't believe how lucky we were with the weather, it stayed dry almost all day, with just a short shower at 2:30pm.

The children had great fun on all the rides and there was a lot for so many of them to enjoy – rides for all ages. It was particularly good to see that so many younger children were giving the bigger rides a go! And to see some of the adults in those classes going round and round the rollercoasters time after time was... well... I didn't envy them!

I would like to take this opportunity to thank all our staff for organising the day, particularly Mrs Connett who oversaw the success of the trip. A huge thank you too goes to all the parent volunteers who gave up their time to go round and round the rides and taking in such a responsibility. Thank you so much!

Sometimes we don't need a specific educational outcome, sometimes it is ok just to go and have fun with your friends at the end of a long year... I hope your child did.

## Prize Giving Assembly

We will be holding our Prize Giving Assembly (YR-Y5) on Tuesday 20<sup>th</sup> July. We are still considering how to hold this but I am afraid we will not be allowing parents in to the assembly as we have done in years gone by.

We will, we hope, next year, but not this term. I hope you understand and are supportive of this as we look to gradually move towards full lifting of restrictions.

## Netball and BBQ News

We have the Staff vs. Parents Netball (3:45pm) coming up on Monday 19<sup>th</sup> July, as well as the Y6 Prize Giving and BBQ.

We have decided that we don't want to ease restrictions fully so soon after the national easing, so we will be holding the netball match, with refreshments afterwards. Then separately, at 6pm, the BBQ for Y6 children and parents to celebrate their time at the school since Reception. We are looking forward to the events and appreciate your understanding as we amend our plans in light of advice.

## Farewells

I am sad to say that Mrs Kurz, our super TA in Year 4, is leaving us at the end of term as she relocates out of the county. We wish Mrs Kurz all the very best in her new life and I would like to thank her publicly for all the positivity and impact she has had on the children she has cared for, and one in particular 😊

As I put in a previous newsletter, we also say goodbye to Mrs Asumadu-Aboagye as she relocates to the North East, and Miss Hooper who is leaving to join a local school as EY Leader.

We wish them all the very best in the challenges they are moving on to!

## Meeting the Teacher

There was a buzz of excitement around the school at lunchtime today, when the children had a lovely time eating lunch in the sunshine and playing games with their teacher for next year.
