Challenge Partners Review

This week we welcomed our Challenge Partners visitors to St Osmund's. This is a partnership we have bought into at our school that sees us benefit from an annual review of the school's Quality of Education, Provision and Outcomes, as well as Leadership at all Levels, including Governance.

The review team was made up of an experienced Ofsted Inspector, and two serving senior leaders from schools across the country working with our staff to evaluate our school. I absolutely love this process as it provides verification and challenge in terms of our 'Whats Working Wells' and our 'Even Better Ifs', forming a crucial part of our school self evaluation.

I am so pleased to say that the review team recognised so many positives in our school about our children's behaviour, attitudes to learning, and general enthusiasm for school life. The full report will be published on our school website in the next two weeks, I will let you know when.

Sports Day

Today we look forward to Sports' Day in KS1. At the time of writing, the event is going ahead! Hopefully the weather holds out.

The event, like the KS2 Sports Day on Tuesday next week, will be live streamed with the link on Google Classroom.

Let's wish the children the very best of luck as they compete in the various races and events, celebrating all that they have achieved in their PE lessons this year.

Recycle Old Toys

Do you know that broken Hasbro toys and L.O.L Surprise! can be recycled?

Hasbro toys such as broken Nerf toys, Littlest PetShop, My Little Pony, Transformers, Play-Doh etc of any material (wood, Plastic or metal) but no battery operated or electronic toys please and L.O.L Surprise including packaging and accessories can be recycled for charity.

A group of volunteers who recycle waste in Salisbury through various TerraCycle schemes are in the process of raising money to support a UK registered charity, Medic to Medic, who support Healthcare workers in Malawi and can help you recycle these items.

Please email them recycle4m2m@gmail.com for more information.

Preloved Uniform

The PSA now have a small stock of preloved uniform which we are selling to raise funds for the school. Thank you to all those who have kindly donated outgrown uniforms and school shoes, any items of uniform that can be sold on is always gratefully received.

Below is a link to the page of the school website where you click to view the stocklist and contact for making an order.
