Love for God ~ Love for Each Other ~ Love for Learning

Togetherness

In our Gospel this weekend we hear about how Jesus turned water into wine at the Wedding at Cana. In this story, Mary asked Jesus to help... he listened and did just that!

At this time I find myself reflecting on how different life is to how it was, say, 2 years ago... and that is how long we have been in this rather different situation! We encourage our children in every assembly, in every lesson, to help each other and to ask for help when needed. We will continue to all we can to support the children as we work towards what feels like more of a sense of normality ahead of us, and of course, the children are taught that they can always turn to Jesus in prayer and he will always answer.

On the subject of help, I would like to welcome Mrs Male, our new ELSA to St Osmund's as she starts this week. She is going to be working on Tuesdays and Wednesdays each week, supporting children with their Emotional Literacy development. Welcome Mrs Male!

PSA Meeting

Our next PSA meeting is being held virtually on Monday 17 January 2022 at 6.15pm. These are short meetings to share any fundraising ideas, and catch up on what we are fundraising for.

If you wish to join the meeting please email psl@sops.canacp.org for the link.

Guitar Lessons

Our Guitar teacher, Mr Parks has spaces for Key Stage 2 children (Year 3 and up). Lessons take place on a Tuesday morning in school.

If your child has expressed an interest in learning the guitar and you wish to book lessons, please inform the school office and they will pass your details on to Mr Parks.

Nuts

Please remember that we aim to be a nut free school, therefore may we ask that if you provide your child with a snack or packed lunch please double check that any cereal bars, or chocolate spreads do not contain any nuts.

Thank you for your co-operation.

Covid Cases

Although we hope for more normality soon, there are numerous cases of Covid around at the moment, affecting both children and staff.

As a result, we are experiencing a stretch to our resources in school so please bear with us at the moment.

In terms of dealing with Covid cases amongst children, you are advised to test regularly. Any positive case, from Monday, can return to school **after 5 full days**. They must test negative on days 5 and 6 **and** have no temperature.

Mr R Sanderson
Headteacher

Dear Jesus,
Like Mary, help us to come to you first with all
our problems and ask you to help us.
Give us ears to listen to you.
Help us to faithfully follow your instructions.
Help us to believe in you.
Amen
