Love for God ~ Love for Each Other ~ Love for Learning

Summer Has Arrived!

What a wonderful week of weather we have had! Fingers crossed this beautiful weather continues over the next few weeks as there are so many great activities, workshops and trips taking place and dry weather always helps! Please remember to send your child to school with a sun hat and a water bottle, both **named** and sun cream applied. If your child can apply sun cream themselves they can bring it in to school as well, named of course.

We are very fortunate to have a lovely woodland area and at breaktimes, we do encourage the children to stick to the shady areas. On Friday we allowed children to wear PE kits for the day as it was hot. However, PE kits are not summer uniform and we only allow children to wear them in very hot conditions, like Friday. We use our judgement on when, and we will inform you by text/email if we are offering it as an option.

Hay fever is also quite a problem at the moment with higher than average pollen levels. If your child suffers with hay fever, please do let us know and if you are giving any medication to alleviate it.

Term Dates

The term dates for the next academic year, 2022/2023 can be found on the school website.

Please go to www.st-osmunds.wilts.sch.uk and click on *Information and Events*, *Term Dates* appear on the drop-down menu.

Summer Has Arrived!

Fingers crossed this beautiful weather continues over the next few weeks. Please remember to send your child to school with a sun hat and a water bottle, both named and sun cream has been applied. If your child can apply sun cream themselves they can bring it in to school as well, named of course. We do encourage the children to stick to the shady areas around the playground.

Parent Update

Nature Club and Plant Sale

This week nature club made up some lovely baskets for our first plant sale of the year. Also, on offer fresh parsley and dill. Baskets range from £4-6 depending on size, herbs from 50p. Funds can be paid via Gateway as PSA Donations.

Thank you so much to our parents who run this club on their own. It is a fabulous opportunity for the children and makes use of our wonderful grounds.

B&Q thanks

This week nature club received a £50 donation from B&Q Salisbury to spend as needed. We would very much like to thank the team at B&Q Salisbury for their support for our parent-lead after-school nature club.

International Day

It is only 2 weeks until International Day 2022. We are hoping to make this the best one yet after our two year break (thanks to Covid). As the most diverse primary school in Wiltshire, this is your chance to showcase a dance, food, song or story from your unique culture. If you haven't yet completed the google form please do so using the following link:
