International Day Update

International Day is this Friday, I can't believe it has come around so fast! Thank you ~~sooooo~~ much to the parents who have already let us know that you are bringing food unique to your country on the day. If anyone else would like to contribute then you are very welcome, we will have room! We can provide most flags, but it is worth checking.

If you would still like to showcase some entertainment unique to your country and culture, please let us know, you would be most welcome! Just have a look at the form here <https://forms.gle/i7Bk4RW8QXzxkja9> and fill in your details. **A letter with the programme for the day will be following this week.**

If you are providing food or are wanting to use the grounds to rehearse a performance, the gate will be open from 11am on Friday. If you are not bringing food or providing entertainment, then you may arrive anytime after 11:45am. You are welcome to stay for lunch and the afternoon to see the children's performances – bring a camping chair or blanket!

At 12pm the children will eat outside, having a special lunch of fish and chips (if on school dinners) but also hopefully trying the many different foods on offer (please remember we aim to be a nut free school so do not bring food that contains nuts). We can't wait to see you all!

Sarum Academy Open Evening – Year 5 Pupils

Sarum Academy are holding an open evening for parents and year 5 pupils on Monday 04 July 2022 from 5.00pm to 7.00pm, no need to book. Tours are available on 04 and 05 July from 9.15am to 2.15pm. Please book via the website: www.sarumacademy.org

Sports Days

It is a very busy week ahead with Sports Days and International Day – but these weeks are always great fun 😊 Parents are welcome to attend the Sports Days (see letter sent earlier this week) and International Day on Friday. Please remember though that there are no photographs to be taken unless they are for your own personal use and they are under no circumstances to be put on any social media or the internet. Not every child in the school has media permission and as a result, only the school may post publicly.

It came to our attention this week that some of our parents of younger children did not know that they could attend the Sports Days until the letter went out this week. *We are very sorry if you did not know* – it seems that the pandemic closures meant that some parents were not aware Sports Day was an open event. We will make sure this is very clear to new parents in the future. We hope you can all come!

Uniform

Kids Klobber on Endless Street stock all of our uniform including book bags, ties and PE Kits. They are a family run business with a selection of other children's clothing and shoes.

Remember to get a letter from the school office if you are in receipt of Free School Meals so that you can claim your uniform for the next academic year's entitlement. This entitlement is valid for the whole year so if your child doesn't need a new uniform yet you can wait until later in the year.

Nuts

Please remember that we aim to be a nut free school, therefore may we ask that if you provide your child with a snack or packed lunch please double check any chocolate spreads or cereal bars do not contain any nuts. Thank you for your co-operation.

Mr R Sanderson
Headteacher

**Heavenly Father,
We pray that we may come together as one body in
Christ. Lead us closer to you each day and help us to
discover you in all things.
Amen**

We were fortunate enough to get 8 tickets once again for Wimbledon this year! Following our own internal draw, a small group of children from Year 5 are going on Monday 27th to see some tennis on Court One!

It is super exciting, please wish them all the best for a great day.
