Year Six Play

Last night the Year 6 children performed their leavers' play – the Amazing Adventures of Superstan! I must say it was very well performed indeed. There was super singing and there were some highly talented performers. I laughed all the way through!

The Year 6 children should be very proud of themselves for all they have achieved and this week's performance only goes to show that achievement stretches beyond just the national curriculum subjects, and into personal development including confidence, enjoyment, performance, to name but a few.

Well done Year 6 – it was a triumph! It was made possible because of your determination and the direction of Miss Longland, Mrs Jonczak and Mrs Oswell.

Next week the fun continues as Year 6 go on their residential trip to Simonsbath – Exmoor – where they will take part in activities such as tree climbing, orienteering, scrambling, archery, mountain biking, kayaking, paddleboarding and so much more! The trip is aimed at not just giving these exciting experiences but it is about learning to manage yourself

Hot Weather

Next week is going to be very warm and sunny. It is very important that your child wears sun cream and has a water bottle in school that they take home each day and refill. It must be named.

Next week, if the children wish, they can wear PE kits instead of standard uniform. If the weather cools down, we will revert back to standard uniform so don't pack it away yet! Summer dresses may still be preferred as they are quite cool – it is your choice.

Clarks Shoes

Clarks Shoe shop in Salisbury are offering appointments for children's shoe fittings in order for parents to avoid queues. If you would like a quieter time to shop please ask for a Quiet Time appointment. To book either call the store on Catherine Street on 01722 339446 or complete an online booking form at www.clarks.co.uk

Meet the Teacher

The children spent a fun morning on Wednesday meeting their next year's Teacher and TA's. The excitement could be felt around the corridors and in the classrooms!

Wiltshire's Summer Reading Challenge

The popular reading challenge at Salisbury Library is back! From Saturday 16 July to Saturday 10 September Salisbury Library are running their reading challenge for 4 – 11 year olds, this year's theme is Gadgeteers and is all about science and innovation, developed in partnership with The Science Museum Group. The challenge is to read 8 books in 6 weeks (these don't need to be science based), gaining prizes, stickers and a certificate and medal upon completion. This is a free challenge and it is also free to join the library.

The Railway Children

On Tuesday afternoon we were all treated to a fantastic performance of The Railway Children by M&M Theatrical Productions. It was packed with drama, laughter and songs.

Golden Book Awards

Rec:
Year 1: **There are no Golden**
Year 2: **Book awards this week.**
