## D-I-S-C-O

What fun it was at the Disco last night! It has been a joy to hear the children looking forward to and talking about the event all week, particularly on Friday when I was inundated with tales of what everyone was getting dressed up as! I was astonished by the care and effort that was put into the outfits... some pretty creepy ones in there! Well done children, you looked fantastic but most importantly, we hope you enjoyed yourselves.

The PSA committee show such dedication and once again, I am blown away by the commitment to making the events fun, engaging, novel. I've said it before and do again, we are very fortunate to have you leading these events. Last night's disco raised a profit of £430! This brings us just about to our target for the playground markings project 😊 Thank you PSA, children, parents and staff for supporting the Disco.

### PE Sweatshirt

Kids Klobber have in stock plain burgundy sweatshirts should you wish to purchase one for your child to wear as an addition to their PE Kit. This is a non-compulsory item but you may prefer your child to wear one instead of their normal cardigan or jumper over their PE Kit now the weather is getting cooler.

Children may wear a lightweight anorak over their PE Kit on drizzly days.

### Golfing Success

I am so proud of our Golf Team who have been training all term to develop their chipping and putting skills. On Wednesday we took 10 children to the Driving Range on Wilton Road and took part in a tournament involving the Salisbury primary schools, and St Osmund's walked away with **gold medals**! Each year we run the golf after-school club and for the vast majority of the children, it is the first time they have ever picked up a Golf Club, and that is why I am so delighted by their success. Well done children! They qualified for the Wiltshire Finals in the summer!
